NON-RESIDENTIAL UTILITY DEPOSIT AND ADEQUATE SECURITIES AGREEMENT

THIS AGREEMENT, made this the _____ day of _____, 20 _____

By and between The Electric Board of the City of Russellville, The Waterworks and Sewer Board of the City of Russellville and The Gas Board of the City of Russellville d/b/a RUSSELLVILLE UTILITIES hereinafter called "Utilities" and

Hereinafter called the "Business Partner" for Utility Services to be provided at all locations and Contract Account(s) within Utilities Service Area.

In consideration of the mutual promises hereinafter contained, IT IS AGREED AS FOLLOWS:

1. UTILITY DEPOSIT. The Business Partner agrees, in order to receive electric, gas, water, sewer, garbage, or other utility services billed by the Utilities ("Utility Services"), to establish and maintain a deposit in an amount that is two (2) times the average monthly billing for the past twelve (12) months for the Business Partner at the locations as is determined by the Utilities in accordance with the terms and conditions herein ("Utility Deposit"). Such Utility Deposit, in the form and amount as required by the Utilities, must be established with the Utilities prior to provision of any of the Utility Services by the Utilities to the Business Partner at the location.
2. FORM OF UTILITY DEPOSIT. The Utility Deposit by the Business Partner to the Utilities shall be either in the form of: (a) Cash or other certified funds; (b) an Irrevocable Standby Letter of Credit issued by a financial institution in a form acceptable to the Utilities; or (c) a Surety Bond issued in a form and by a Surety acceptable to the Utilities.
3. AMOUNT OF UTILITY DEPOSIT. The Utilities, in its sole discretion, shall calculate the amount of the Utility Deposit required from the Business Partner at the location. Such determination shall be made by the Utilities with reference to information made available to the Utilities including, but not limited to,
 - (a) Billing history to the location where Utility Services will be provided to the Business Partner or from any other estimates provided by the Business Partner to the Utilities, but such information or estimate shall not limit the Utilities' discretion in determining the Utility Deposit.
 - (b) The Business Partner agrees that the utilities will review the Contract Account(s) annually or at the request of the Business Partner. The Utilities may, at any time in its sole discretion, modify the Utility Deposit in accordance with this Agreement, with such modification being based upon either two (2) times the average billing for the past twelve (12) months, or two (2) times the estimate for Utility Services based upon full capacity of the location, whichever is greater. The Utilities shall notify the Business Partner of any modification of the Utility Deposit in writing at the address where billing for Utility Services is directed. The Business Partner agrees to furnish any additional Utility Deposit within thirty (30) calendar days of written notification of modification of the Utility Deposit.
4. DURATION OF DEPOSIT; TRANSFER; REFUND. The Business Partner shall maintain the Utility Deposit in accordance with this Agreement so long as Utilities provides Utility Services to the Business Partner. If, upon proper notice of termination and the final payment by Business Partner for all Utility Services and other liabilities incurred by the Business Partner to the Utilities at the location, the Utilities may transfer the Utility Deposit to another location maintained by the Business Partner that has either no Utility Deposit or an inadequate Utility Deposit. All of the terms and conditions of this Agreement shall apply to the Business Partner at the transferred location as they would have applied to the original location. If the Business Partner maintains no other location or Contract Account(s) with the Utilities, then the Utilities shall refund so much of the Utility Deposit, plus any accrued interest, as has not been applied to the Contract Account(s).
5. EVENT OF DEFAULT. The following shall constitute an event of default on the part of the Business Partner:
 - (a) The Business Partner shall fail to pay, when due, any amount billed by the Utilities to the Business Partner for Utility Services at any location;
 - (b) The Business Partner breaches any of the terms and conditions of this Agreement, or the Boards rules and regulations of the Utilities;
 - (c) The Utilities receives notification from any Surety, Bonding Company, or Financial Institution of the cancellation, non-renewal, or discontinuation of any Surety Bond or Letter of Credit provided to the Utilities as a Utility Deposit for any location maintained by the Business Partner;
 - (d) The Business Partner shall liquidate substantially all of its assets, merge, dissolve, terminate its existence, suspend business operations, die (if an individual), have a receiver appointed for all or part of its property, make

assignment for the benefit of its creditors, become insolvent, or have a voluntary or involuntary petition for relief under the United States Bankruptcy Code filed on its behalf; or

(e) The Business Partner shall cause damage or permit damage to be caused to equipment owned or maintained by the Utilities in the providing of Utility Services.

6. REMEDIES FROM DEFAULT. Upon default, the Utilities may do any of the following:

(a) To discontinue Utility Services to the location after notice to the Business Partner and apply to any of the Business Partner's discontinued Contract Account(s) so much of the Utility Deposit as is necessary to cure default; or

(b) To proceed with action against the Business Partner for any remedy which the Utilities may have at law or equity.

7. ADEQUATE PROTECTION AND ASSURANCES. The Business Partner acknowledges that the Utility Deposit required by the Utilities of the Business Partner is the policy of the Utilities and is the usual and customary utility deposit required by the Utilities of its non-residential Business Partner. The Utility Deposit is required to provide adequate assurance and protection of the Utilities in the payment for Utility Services. The failure of the Business Partner to maintain the Utility Deposit in accordance with the terms and conditions of this Agreement shall be grounds for termination of all Utility Services to the Business Partner.

8. MISCELLANEOUS. This Agreement shall bind the Business Partner and the Business Partner's respective heirs, administrators, executors, successors, transferees, and assigns. This Agreement may not be modified except in writing signed by both parties to this Agreement. This Agreement shall be construed and enforced in accordance with the laws of the State of Alabama. The Utilities shall be entitled to recover and set off against the Utility Deposit all costs it incurs in the enforcement of this Agreement, including without limitation, all reasonable attorneys' fees.
